

Independent Healthcare
Providers Network

IHPN Commercial Associate programme

About IHPN

Our mission

IHPN is the membership network for independent healthcare providers. We play the leading role in the sector by bringing all types of independent providers together, supporting them to deliver great care to patients, and enabling them to make a positive contribution to UK healthcare.

Our vision

A thriving independent healthcare sector delivering great care to NHS and private patients.

Bringing all types of independent providers together

IHPN members deliver a wide range of different services to both NHS and private patients. IHPN brings all types of providers together they can learn from one another and so IHPN can amplify the view of our members.

Supporting members to deliver great care to patients.

IHPN engages with national system, professional and healthcare regulators to achieve consistently high standards of safety and quality.

Enabling them to make a positive contribution to UK Healthcare

We provide regular insight on the healthcare business and regulation through our daily updates and regular insight reporting. We also work closely with leaders in the NHS and Government to ensure that we can a difference to UK healthcare.

About our Commercial Associate Programme

The IHPN Commercial Associate category offers your organisation the opportunity to

- Receive information and insight about key trends in independent healthcare sector and
- Connect with decision makers across the IHPN membership

The UK independent healthcare sector is a £16 billion market delivering healthcare services to NHS, insured, domestic self-pay and international patients. IHPN has around 100 members who cover an array of clinical services including hospital care, diagnostics, primary and community care, clinical home healthcare, ophthalmology, and insourcing.

Our Commercial Associate programme is for organisations that do not provide direct clinical services but provide goods and services to healthcare providers and wish to build understanding and relationships across the sector.

Commercial Associate Programme Cost: £3,307.50 per annum

(Charged on a pro-rata basis on time of application)
